

**SPEECH COMPANION ACTIVITY BOOK FOR:
First words (Sophie la giraffe)
By: Dawn Siett**

Instructions:

- 1. Introduce the book to the child.**
- 2. Present the activity by reviewing the vocabulary.
Make two copies of the vocabulary sheet.
Cut out the pictures for the duplicate copy.
Then use the cut-out pictures to:
 Match objects
 Identify objects on command (point to or show me.....)
 Name objects on command (What is....?)**
- 3. Once child has mastered these objectives, move on to the Language Concepts Activity Pages and follow the prompt.**
- 4. Finally, use the phonological sheets to work on segmenting and blending vocabulary words in the book.**
