

SYLLABLE STAMP OUT

DIRECTIONS:

Level One:

Materials Needed: Stamp and Ink Pad:

Have the child stamp out each syllable as his/her says the name of the picture. The stamps will help to pace the child's flow of speech and allow for complete syllable production and correct production of the phonemes within each syllable.

Level Two:

Materials Needed: Flashcard set {included}

Have the child point to each circle as they produce the syllable in each word. Level 2 fades out the prop {stamps} and allows the child to focus more on accurate production.
