"Taking speech and language skills over and beyond"

HOW TO USE THE MONTHLY SPEECH CALENDAR

INSTRUCTIONS:

Click on the month and date of the calendar you want to download. Print out the calendar and laminate for extended use. Post the calendar in a common area. Each week a different concept will be presented to review each day of that week. Present the prompts as stated on the calendar and provide assistance as needed.

OBJECTIVE:

This calendar is designed to teach early speech and language concepts daily in small doses. This calendar also provides educational tips and emotional support for parents (family members). Lastly, it offers suggested activities that can be purchased through Amazon, our website and others, and through our Etsy shop. These products will be listed below each calendar for your convenience. Please check them out!
